

# Rat Protein phosphatase 1 regulatory subunit 15A (PPP1R15A) ELISA Kit

Catalog No: #EK20670

Orders: [order@signalwayantibody.com](mailto:order@signalwayantibody.com)

Support: [tech@signalwayantibody.com](mailto:tech@signalwayantibody.com)

Package Size: #EK20670-1 48T #EK20670-2 96T

## Description

|                    |                                                                       |
|--------------------|-----------------------------------------------------------------------|
| Product Name       | Rat Protein phosphatase 1 regulatory subunit 15A (PPP1R15A) ELISA Kit |
| Brief Description  | Rat Protein phosphatase 1 regulatory subunit 15A (PPP1R15A) ELISA Kit |
| Applications       | ELISA                                                                 |
| Species Reactivity | Rat                                                                   |

## Application Details

|                                                                                                                  |
|------------------------------------------------------------------------------------------------------------------|
| Detect Range:15.6-1000 pg/mL                                                                                     |
| Sensitivity:4.75pg/mL                                                                                            |
| Sample Type:serum, plasma, tissue homogenates, cell lysates, cell culture supernates or other biological fluids. |
| Sample Volume: 50 &mu;L                                                                                          |
| Assay Time:1-4.5h                                                                                                |
| Detection wavelength:450 nm                                                                                      |
| Detection Method:sandwich                                                                                        |

Note: This product is for in vitro research use only and is not intended for use in humans or animals.
