hHR23b Monoclonal Antibody

Catalog No: #27219

Package Size: #27219-1 50ul #27219-2 100ul

Orders: order@signalwayantibody.com Support: tech@signalwayantibody.com

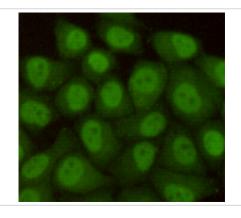

Description

hHR23b Monoclonal Antibody
Mouse
Monoclonal
5H1-A10-A7
lgG2b
Affinity purified
WB ICC IHC
Hu Ms Rt Mk Hm
This antibody detects endogenous levels of hHR23b and does not cross-react with related proteins.
Recombinant Protein
Purified recombinant human hHR23b protein fragments expressed in E.coli.
hHR23b
homolog of B; RAD23B; RD23B_HUMAN; UV excision repair protein RAD23 homolog B; XP C repair
complementing complex 58 kDa; XP C repair complementing complex 58 kDa protein; XP C repair
complementing protein; XP-C repair-complementing complex 58 kDa protein;
Uniprot: P54727 Gene ID: 5887
58kd
Purified mouse monoclonal antibody in PBS(pH 7.4) containing with 0.02% sodium azide and 50% glycerol.
store at -20Λ C

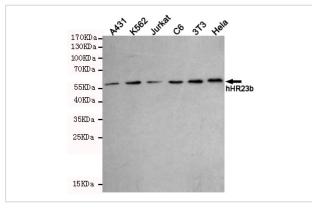

Application Details

Western blotting: 1:1000
Immunocytochemistry: 1:100

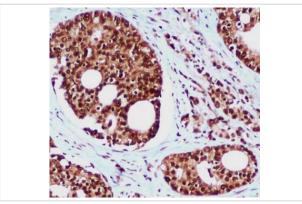

Images

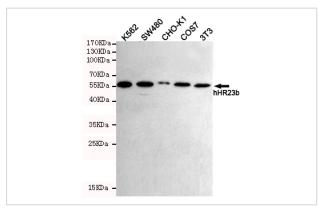

Immunocytochemistry staining of HeLa cells fixed with 4% Paraformaldehyde and using anti-hHR23b antibody (dilution 1:100).

Western blot detection of hHR23b in A431,K562,Jurkat,C6,3T3 and Hela cell lysates using hHR23b antibody (1:1000 diluted).Predicted band size:58KDa.Observed band size:58KDa.Exposure time:5min.

Immunohistochemical analysis of paraffin-embedded Prostate Cancer using hHR23b Mouse mAb (1/100 dilution). Antigen retrieval was performed by pressure cooking in citrate buffer (pH 6.0).

Western blot detection of hHR23b in K562,SW480,CHO-K1,3T3 and COS7 cell lysates using hHR23b antibody (1:1000 diluted).Predicted band size:58KDa.Observed band size:58KDa.Exposure time:5min.

Background

Multiubiquitin chain receptor involved in modulation of proteasomal degradation. Binds to polyubiquitin chains. Proposed to be capable to bind simultaneously to the 26S proteasome and to polyubiquitinated substrates and to deliver ubiquitinated proteins to the proteasome. May play a role in endoplasmic reticulum-associated degradation (ERAD) of misfolded glycoproteins by association with PNGase and delivering deglycosylated proteins to the proteasome.

Note: This product is for in vitro research use only and is not intended for use in humans or animals.
