## Description

|                       |                                                     |
|-----------------------|-----------------------------------------------------|
| Product Name          | Anti-Omalizumab Polyclonal Antibody                 |
| Host Species          | Rabbit                                              |
| Clonality             | Polyclonal                                          |
| Isotype               | IgG                                                 |
| Purification          | Purified by antigen affinity column.                |
| Applications          | ELISA                                               |
| Immunogen Description | Omalizumab                                          |
| Conjugates            | Unconjugated                                        |
| Target Name           | Rabbit polyclonal to Xolair.                        |
| Formulation           | 0.01M PBS, pH 7.4, 50% Glycerol, 0.05% Proclin 300. |
